

## Hortonworks University Self-Paced Learning Library

### Overview

Hortonworks University Self-Paced Learning Library is an on-demand, online, learning repository that is accessed using a Hortonworks University account. Learners can view lessons anywhere, at any time, and complete lessons at their own pace. Lessons can be stopped and started, as needed, and completion is tracked via the Hortonworks University Learning Management System.

This learning library makes it easy for Hadoop Administrators, Data Analysts, and Developers to continuously learn and stay up-to-date on Hortonworks Data Platform.

Hortonworks University courses are designed and developed by Hadoop experts and provide an immersive and valuable real world experience. In our scenario-based training courses, we offer unmatched depth and expertise. We prepare you to be an expert with highly valued, practical skills and prepare you to successfully complete Hortonworks Technical Certifications.

The Self-Paced learning library accelerates time to Hadoop competency. In addition, the learning library content is constantly being expanded with new content being added on an ongoing basis.
